INTERLOCAL AGREEMENT FOR GRANT IN AID FUNDS

This AGREEMENT dated the _____ day of _____ 2004, is entered into by and between the BOARD OF COUNTY COMMISSIONERS FOR MONROE COUNTY, hereinafter "County," on behalf of the TOURIST DEVELOPMENT COUNCIL, hereinafter "TDC" and The City of Marathon, hereinafter "Grantee".

WHEREAS, the third penny of Tourist Development Tax may be used to acquire, construct, extend, enlarge, remodel, repair, or improve museums, zoological parks, fishing piers, nature centers or sports arenas which are publicly owned and operated or owned and operated by not-for-profit corporations, and

WHEREAS, Grantee has applied for Grant in Aid funding for the Sombrero Beach Injection Well project to construct the Injection well, hereinafter "the Property"; and

WHEREAS, Grantee has the ability to act as manager for the project; and

WHEREAS, the County and TDC have determined that it is in the best interest of the County, for purposes of promoting tourism and preserving the heritage of the community to acquire the project for use as a beach open to the public;

NOW, THEREFORE, in consideration of the mutual covenants and payments contained herein, the Grantee and the County have entered into this agreement on the terms and conditions as set forth below.

1. AGREEMENT PERIOD. This agreement is for the period of April 21, 2004, through September 30, 2004. This agreement shall remain in effect for the stated period unless one party gives to the other written notification of termination pursuant to and in compliance with paragraphs 7, 11 and 12 below.

2. SCOPE OF AGREEMENT. The Grantee shall provide such services and materials as are required to install an injection well for the purpose of absorbing excessive storm water and draining the east end of the park and parking lot at the Sombrero Beach. The project shall include the following work items: Engineering, DEP borehole permit package, Borehole for stormwater disposal, Tanks, shipping and setting, Piping connections of tanks, borehole, Repair landscape, fence and elements disturbed by construction.

A schedule of values is attached hereto as Exhibit A and shall be used as a guideline in determining contract compliance for reimbursement purposes.

This project shall be completed and invoices submitted to the County Finance Department no later than September 30, 2004. The Grant in Aid funds must be expensed in the fiscal year ending September 30, 2004. No funds will be available for use for this project agreement after September 30, 2004.

The recipient of TDC capital project funding shall designate a project manager if no licensed architect, engineer or general contractor is involved in the project. If the project is performed by County or City personnel, the project manager shall be the Engineer, Building Official or Construction Manager of that local government. Should any signage be erected acknowledging the development of the project, said signage shall acknowledge the Tourist Development Council of Monroe County.

If the amount of award exceeds \$25,000, the Grantee agrees to dedicate the project property for a period of ten years, absent any acts not in control of the Grantee such as hurricane or terrorist damage, to the public purpose for which the funds are hereunder to be paid by County. If project encompasses acquisition of personalty (property other than realty) rather than or in addition to improvements to real property and for any reason the project property ceases such public purpose use before the expiration of the ten years, the personalty acquired under this agreement shall be used for purposes which are related to the promotion of tourism in Monroe County, by retention by grantee and use for proper purposes in another location, or delivered to the County or a not-for-profit organization to be used for purposes of promoting tourism.

3. AMOUNT OF AGREEMENT AND PAYMENT. The County shall provide an amount not to exceed \$31,644 in reimbursement for materials and services used to construct the property. The Board of County Commissioners and the Tourist Development Council assume no liability to fund this agreement for an amount in excess of this award. Monroe County's performance and obligation to pay under this agreement is contingent upon an annual appropriation by the BOCC.

a). Payment for expenditures permissible by law and County policies shall be made through reimbursement to Grantee upon presentation of invoices, canceled checks and other documentation necessary to support a claim for reimbursement. Included in said documentation shall be proof that the Grantee has received and applied to the property matching funds equivalent to or greater than the amount invoiced to the County. Submission of invoices must be certified through a statement signed by an officer of the organization and notarized, declaring that representations in the invoice are true and factual.

b). Matching funds in an amount no less than the funds provided under this agreement are required to be applied to the project. Application of matching funds requires actual payment of the matching funds. Mere obligation through execution of a contract or approval of a budget item to be paid from matching funds will not suffice. In order for funds to be deemed matching, they shall have been expended for the services and materials required for the specific project described in the Scope of Services paragraph. Any funds applied to any use on the real property other than the project shall not be used as matching funds required under this agreement. In order to be considered matching funds for the project funded by grant under this agreement, the matching funds must be applied to the project during the term of this agreement.

c). Documentation shall be submitted to the TDC Administrative Office to show the receipt and application of in-kind donations of goods, professional services, and materials. Said documentation should include invoices, bills of lading, etc., and be verified as received and applied to the project through a notarized statement of the project architect, engineer, general contractor or project manager. The receipt and application to the project of volunteer labor are to be documented and verified by notarized signature of the project architect, engineer, general contractor or project manager, and said documentation submitted to the TDC Administrative Office. All submissions should have a proposed schedule of values for phases and indicate the percentage of completion of the overall project as of the submission. This document should be signed by the project architect, engineer, general contractor or project manager.

d) Funding granted under this Grant in Aid Agreement must be expended by the County no later than September 30, 2004. Any amount of the grant funds not expended by County by that date shall no longer be available to Grantee, unless prior to September 30, 2004, an amendment extending this agreement has been approved in writing and executed by both parties.

4. **REPORTS.** The Grantee shall provide financial reports in summary of activity on forms provided or approved by the TDC, and quarterly narrative reports of activity under the approved work plan. The Grantee shall keep such records as are necessary to document the performance of the agreement and expenses as incurred, and give access to these records at the request of the TDC, the County, the State of Florida or authorized agents and representatives of said government bodies. It is the responsibility of the Grantee to maintain appropriate records to insure a proper accounting of all funds and expenditures. The Grantee understands that it shall be responsible for repayment of any and all audit exceptions which are identified by the Auditor General for the State of Florida, the Clerk of Court for Monroe County, the Board of County Commissioners for Monroe County, or their agents and representatives. In the event of an audit exception, the current fiscal year grant award or subsequent grant awards will be offset by the amount of the audit exception. In the event the grant is not renewed or supplemented in future years, the Grantee will be billed by the County for the amount of the audit exception and shall promptly repay any audit exception.

5. **MODIFICATIONS AND AMENDMENTS.** Any and all modifications of the terms of this agreement shall be only amended in writing and approved by the Board of County Commissioners for Monroe County.

6. **INDEPENDENT CONTRACTOR.** At all times and for all purposes hereunder, the Grantee is an independent contractor and not an employee of the Board of County Commissioners of Monroe County. No statement contained in this agreement shall be construed as to find the Grantee or any of its employees, contractors, servants or agents to be employees of the Board of County Commissioners of Monroe County, and they shall be entitled to none of the rights, privileges or benefits of employees of Monroe County.

7. **COMPLIANCE WITH LAW.** In carrying out its obligations under this agreement, the Grantee shall abide by all statutes, ordinances, rules and regulations pertaining to or regulating the provisions of this agreement, including those now in effect and hereafter adopted. Any violation of said statutes, ordinances, rules or regulations shall constitute a material breach of this agreement and shall entitle the County to terminate this agreement immediately upon delivery of written notice of termination to the Grantee.
